Privacy Policy

SIP Social — Privacy Policy
 Effective date: July 1, 2025

What we collect

- TikTok account identifiers (e.g., open_id), basic profile info you authorize, captions you create, and media URLs you choose to upload.

- Workspace/account email and usage logs (errors, timestamps).

How we use it

- To let you connect a TikTok account and post content via SIP Social's Poster Agent.

- To operate, secure, and improve our service (troubleshooting, analytics).

Sharing

- We don't sell your data. We share only with processors (hosting, logging, storage) under contract.

Data retention

- Access/refresh tokens are encrypted at rest and rotated/revoked on request.

- We keep posting metadata as long as your workspace stays active or as required by law.

Your choices

- You can disconnect TikTok anytime in SIP Social; you can also revoke access in TikTok.

- For access, correction, or deletion, contact kcoffey@impactpathways.io. We'll respond within 30 days.

Children

- SIP Social isn't directed to children under 13 (or the applicable minimum age in your region).

Security

- We use industry-standard encryption in transit and at rest, role-based access, and audit logging.

International transfers

- Data may be processed in the U.S. and other countries with appropriate safeguards.

Contact

- Impact Pathways, 9801 Mill Run Drive, Great Falls, VA 22066, kcoffey@impactpathways.io

Changes

- We'll update this page and change the "Effective date" above when this policy changes.
